JAVA BACKEND ENGINEER

JAVA | SPRING BOOT | MICROSERVICES | REST APIs | AGILE

Java Backend Engineer with 4+ years of experience in Java, Spring Boot, and Microservices. Experienced in developing RESTful APIs, improving application performance, resolving production issues, and collaborating with cross-functional teams to deliver reliable backend solutions.

TECHNICAL SKILLS

Backend Development – Java, Spring Boot, Microservices, REST APIs, SQL, OOPS

Databases – MySQL, Oracle

Basic Exposure – Apache Kafka, Docker, Jenkins CI/CD, Kubernetes, Google Cloud Platform (GCP)

Tools – IntelliJ, Github, SSMS, Postman, Rancher, Azure Devops

PROFESSIONAL EXPERIENCE

CAMS Migration | Prodapt Solutions

NOV 2025 – PRESENT

- Developed Spring Boot-based automation solutions that replaced manual operational processes, improving efficiency and reducing repetitive effort.
- Implemented asynchronous event processing to improve application responsiveness and support efficient handling of background workloads.
- Integrated Apache Kafka consumer components to enable reliable, event-driven processing of application events.
- Took ownership of backend enhancements from requirement analysis through development, testing, and deployment.

Field Data Toolkit | Prodapt Solutions

AUG 2022 – NOV 2025

- Developed a new Spring Boot microservice for field technicians, reducing manual intervention and improving efficiency during on-field operations.
- Improved application performance using asynchronous processing and caching strategies.
- Integrated third-party APIs to support business workflows.
- Resolved production issues and improved overall application reliability.
- Worked with Git, Docker and Jenkins as part of development and release activities, supporting consistent application delivery.
- Collaborated with cross-functional teams in an Agile environment to deliver features aligned with business requirements
- Mentored junior developers and followed coding and development best practices.

CERTIFICATIONS

- Google Cloud Certified - Professional Cloud Developer
- Google Cloud Certified - Associate Cloud Engineer
- Career Essentials in GitHub Professional Certificate, LinkedIn
- The Complete Java Development Bootcamp, Udemy
- Generative AI for Java Developers with Google AI, Udemy

ACADEMIC QUALIFICATION

PANIMALAR INSTITUTE OF TECHNOLOGY- <i>B. TECH - IT</i>	2018 – 2022
VYASA VIDHYALAYA MAT. H. S. S - <i>HSC</i>	2017 – 2018
VYASA VIDHYALAYA MAT. H. S. S - <i>SSLC</i>	2015 – 2016

AWARDS AND ACHIEVEMENTS

RISING ROOKIE OF THE MONTH	SEP 2026
• Recognized for strong microservices development and impactful contributions to OFS tool and Kafka integrations, demonstrating ownership, reliability, and commitment to delivering critical project requirements.	
STAR OF THE QUARTER AWARD	OCT 2025
• Recognized for exceptional technical contributions and ownership in enhancing backend APIs, optimizing application performance, and improving scalability, reliability, and integration across multiple services.	
SPOTLIGHT AWARD	AUG 2024
• Recognized for dedication, adaptability, and ownership in backend development, consistently delivering high-quality technical solutions.
